MEMORANDUM FOR THE RECORD

SUBJECT: CIA Retirement Act

1. The CIA Retirement Act of 1964 for Certain Employees carries a number of references to Title 5 of the U.S. Code which are outdated due to that Title's subsequent codification.
2. Suggested draft language to convert these citations to the current codification is attached.
3. The attached has been drafted on the basis that it could be inserted as an additional section to H.R. 13705, 90th Congress, First Session. Should it be determined to insert this section in H.R. 13705, consideration should also be given to providing that bill with a short title such as "The Central Intelligence Agency Retirement Act Amendments of 1968."
